Detailed Action

Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Grant Rowan on June 9, 2005.

- Claims 6-23 are cancelled.

Reasons for Allowance

2. Claims 1-3 and 5 (renumbered as 1-4) are allowed.
3. The following is an examiner's statement of reasons for allowance:

This application is for an optical pickup apparatus.

- **Claim 1** specifies an optical pickup apparatus, which requires:

*"...a **first support member** adapted to support a first end portion of the feed screw located on an **inner circumferential side** of the information recording face, a **second support member** adapted to support a second end portion of the feed screw located on an **outer circumferential side** of the information recording face, a **first elastic support member** adapted to support a first end portion of the guide shaft located on the inner circumferential side of the information recording face, a **second elastic support member** adapted to support a second end portion of the guide shaft located on a outer circumferential side of the information recording face, a drive motor adapted to drive the feed screw so as to move the optical pickup along the guide shaft, a **third elastic support member** adapted to support the second support member and the drive motor a base plate on which the first support member, the first elastic support member, and an end portion of the third elastic support member are fixed, and a skew adjusting mechanism adapted to move each of the third elastic member and both ends of the feed screw and the guide shaft so as to adjust a skew of the optical pickup with respect to the information recording face of the recording medium."*
